## **Donlin Recano Crisis Communications- Smooth Sailing in Choppy Waters**

Something has gone astray and corporate leadership is grappling with how to control potential damage. Whether addressing stockholder fears, a change in corporate leadership or an approaching bankruptcy proceeding, the right messaging can create stability and calm. This is where the experts at Taylor Rafferty, a division of DF King Worldwide and DRC's sister company, can aid in the process.

At DRC we provide the nuts and bolts of comprehensive bankruptcy management services. And, teamed with Taylor-Rafferty, we get the right messaging out to quell concerns created by crises. Assisted by our Crisis Communications specialists, your client will be ahead of the curve in avoiding the damages which corporate distress can bring.

Whether your company or client is contemplating a pre-pack or a traditional Chapter 11, DRC and the King Worldwide network of services will bring systematic, organized and streamlined solutions to the process from start to finish.

Crisis Communications-Noticing-Claims Management-Balloting-Solicitation and Distribution---all part of what DRC can do for you.
